WAXNESS®

MATERIAL SAFETY DATA SHEET

Rev. 002 date October 19, 2026

1. IDENTIFICATION OF THE PRODUCT AND OF THE COMPANY

Typology of the product: Depilatory Wax

Code: BS008859

Commercial name: BARBERO HAIR REMOVAL HARD WAX TIN STEEL

Company Identification: 1BEAUTY US LLC

Telephone number: (760) 636-6923, (760) 636-1641

Email: sales@waxness.com

2. COMPOSITION/INFORMATION ABOUT THE INGREDIENTS

Chemical identification: Mixture composed by synthetic ingredients

INCI formula: Colophonium (Rosin), Glyceryl Rosinate, Ethylene/VA, Copolymer, Paraffin, Cera Alba (Beeswax), Hydrogenated Coconut Oil, Mica, C.I.77019, C.I.77499 (Iron Oxyde)

CAS NUMBER: Not relevant because this product is a mixture

EINECS NUMBER: Not relevant because this product is a mixture

3. HAZARDS IDENTIFICATION (DANGER ADVICE)

Any specific danger may be found during the normal use. The product might provoke an allergic reaction on predisposed people.

The product is not for applying into the eyes or damaged skin.

The product can provoke scalds if applied at very high temperatures.

4. FIRST-AID MEASURES

Contact with skin: No contra-indications

Contact with eyes: Wash abundantly with water for at least 10 minutes. If inflammation or traces of lesions persist, it is advised a medical examination.

Swallowing: Drink water to dilute and consult immediately a doctor

Extreme inhalation: Carry the person open air maintaining rest position. Consult immediately a doctor.

5. ANTI-FIRE MEASURES

Recommended extinguishers: Alcohol resistant foam. Carbon dioxide. Dry chemical.

Forbidden extinguishers: Do not use only water

Risks from combustion: Avoid breathing the fumes

Protection means: Use a protection for respiratory tracts

6. MEASURE IN CASE OF ACCIDENTAL RELEASE

Individual precautions: Eye skin and respiratory protection for large spills.

Environmental-precautions: Keep significant quantities away from surface/ground water, drains and soil. Mop up spillage. Treat large spillages as industrial waste.

Cleansing Method: Absorb into dry earth or sand. If inside transfer outside of building in suitable containers. For small spills absorb onto paper and allow to evaporate in a fume cupboard. Wash the spillage site with large amounts of water.

7. HANDLING AND STORAGE

Handling: The product does not need any particular precautions for its handling.

Storage: The product does not need any particular storage conditions.

8. EXPOSURE CHECK/PERSONAL PROTECTION

Exposure check: Do not apply product in eyes or damaged skin.

Respiratory protection: Not required for normal use

Eyes protection: Not required for normal use

Skin protection: Not required for normal use

9. PHYSICAL AND CHEMICAL PROPERTIES

Aspect: Solid mass waxy

Colour: METALIZED BLACK

Smell: Pine Tree Resin Scent

Analysis Value

Drop point 42°C

Bulk density ASTM D 1298 1.02

Flash point <170°C

Melting range 65 - 75°C

Microbiological Characteristics: Not relevant.

Other Information

Solubility: Negligible in water. Soluble in most aliphatic, aromatic and halogenated hydrocarbons and esters and ketones.

10. STABILITY AND REACTIVITY

Conditions to avoid: The product is stable.

Incompatibility with other substances: None

Hazardous Decomposition products: None at the temperature of use

11. TOXICOLOGICAL INFORMATION

Likely routes of exposure: Skin contact, eye contact, accidental ingestion, and inhalation of fumes if overheated.

Acute toxicity: Not expected to be acutely toxic under intended conditions of use.

Skin corrosion/irritation: Hot wax may cause burns and irritation.

Serious eye damage/irritation: Hot wax splashes may cause mechanical and thermal eye injury.

Respiratory or skin sensitization: Fragrance components and botanical extracts may cause skin sensitization in predisposed individuals.

Carcinogenicity, mutagenicity, reproductive toxicity, STOT, aspiration hazard: Not expected based on available data and intended use.

12. ECOLOGICAL INFORMATION

Ecotoxicity: The product is not considered dangerous for the environment when used as directed and disposed of properly.

Persistence and degradability: No specific data available.

Bioaccumulative potential: No specific data available.

Mobility in soil: Low mobility expected.

Other adverse effects: None known under normal conditions of use.

13. DISPOSAL CONSIDERATIONS

DISPOSAL OPERATIONS: Mix or dissolve with a combustible material and burn in a chemical incinerator equipped with after burners or scrubbers.

DISPOSAL OF PACKAGING: Clean with water. Dispose of as normal industrial waste.

NB: The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

14. TRANSPORT INFORMATION

This product is not regulated as dangerous goods for transport under DOT, ADR/RID, IMDG or IATA.

15. REGULATORY INFORMATION

OSHA Hazard Communication Standard: This product is not classified as hazardous under OSHA HCS 2012 (29 CFR 1910.1200).

GHS: This SDS is prepared according to the principles of the Globally Harmonized System of Classification and Labelling of Chemicals (GHS).

California: For products marketed in California, compliance with applicable state regulations, including Proposition 65, should be verified by the responsible company.

Users must ensure compliance with all applicable local, national and international regulations.

16. OTHER INFORMATION

Other information: This safety data sheet is prepared in accordance with EC Directive 2001/58/EC.

Legal disclaimer: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact with the above product.

This is not a specification and customers should satisfy themselves as to the completeness of information for their own particular use.

Method of use: Follow the instructions written in the packaging or in the enclosed leaflet. Avoid all methods of use which are not indicated in the instruction leaflet

Norms of behavior: The beautician must inform the consumer about the message contained in the precautions and warnings, both for contraindications and allergic reactions.
